

## Job application and interview strategies for scientists

<b>Topic area:</b>	Career development
<b>Format:</b>	Online or in-house workshop
<b>Workload:</b>	4 webinars of 2-2.5 h each = 2 workshop days
<b>Trainer:</b>	Karin Bodewits or Philipp Gramlich or Lisa Steinhauer
<b>Target group:</b>	PhD students and postdocs

You're a scientist and want to apply for jobs in- or outside of academia? In this course you learn how to 'sell' your skills, stand out from the crowd and score the job you really want.

### In this course you'll learn about:

- Application strategies & the 'hidden' job market
- How to read job ads
- How to 'sell' yourself and your skills
- Writing successful application documents
- The job interview and your personal pitch: online and offline
- Salary & contract negotiations
